

Ghost Woods (The Catalyst #3)

Disembodied screams. Rumors of curses. Hidden wells long forgotten. Those are a few of the mysteries rising from the fog around the Ghost Woods, the stretch of trees surrounding Hawthorn Inn and the small town of Sanctuary. Jack again finds himself the focus of the eerie happenings as he makes new allies and learns more about his strange grandfather. Shadows lengthen and the danger deepens as Jack and his friends try to stay one step ahead of their adversary. Ghost Woods is the third in a five novel horror/supernatural thriller series featuring Jack Erikson, a normal teenager with not-so-normal secrets.
