

The Cats of Mrs. Calamari

The Cats of Mrs. Calamari was written by John Stadler. On Monday morning, Mrs. Calamari and her many, many cats move into a new apartment. On Tuesday, she learns that cats are not allowed. By weeks end, cats can be seen everywhere and by everyone except the landlord, Mr. Gangplank, who has lost his glasses. This purr-fectly delightful story will engage young readers as they encounter the clever ways Mrs. Calamaris cats stay out of sight during a fun-filled week. But how long will it be until Mr. Gangplank does finally find his glasses and discover Mrs. Calamaris deception? The heart-warming outcome of this whimsical tale is definitely the cats meow!
