

The Drifters

In this triumphant bestseller, renowned novelist James A. Michener unfolds a powerful and poignant drama of disenchanting youth during the Vietnam era. Against exotic backdrops including Spain, Morocco, and Mozambique, he weaves together the heady dreams, shocking tribulations, and heartwarming bonds of six young runaways cast adrift in the world as well as the hedonistic pursuit of drugs and pleasure that collapses all around them. With the sure touch of a master, Michener pulls us into the private world of these unforgettable characters, exposing their innermost desires with remarkable candor and infinite compassion.
