

The History of Henry VII of England: Written in the Year 1616 (Classic Reprint)

Excerpt from The History of Henry VII of England: Written in the Year 1616 Lord St. Alban was born in the year 1560, soon after queen Elizabeth came to the throne; he was alive during all that reign, was made Lord Chancellor by James I. in the year 1616, at which time he wrote this history. Having lived, therefore, so near the times of which he wrote, it is natural to suppose, he was better acquainted with the transactions of those times, than any historian we have.
