

The House of Secrets: The Hidden World of the Mikveh

For Orthodox Jews, immersion in a ritual baththe mikvehis the cornerstone of family life and is central to Jewish womens practice of their faith. Yet women from across the Jewish spectrum frequent the mikveh, often for surprising personal reasons. Roused by her own immersion experience, for years Varda Polak-Sahm, a secular Jew, patiently observed and interviewed women at the mikveh, gaining unprecedented access to this hidden world. The House of Secrets offers a richly nuanced, uncensored look at an experience that is for some holy and for others coercive, ultimately illuminating the remarkable power of ritual immersion.
