

## The Last Werewolf Hunter: The Complete Series (The Last Werewolf Hunter Series)

What would you do, if the people you loved wanted you to become a monster? What if they wouldn't take no for an answer? When young Zach Trewick finds himself faced with questions like these, there seems to be only one choice he can make. . . Run. Thus begins an adventure which will lead him from the hills of Tennessee to the piney woods of east Texas and beyond, as he finds himself caught up in a centuries-old battle against evil in which everything he loves is at stake. The Last Werewolf Hunter is a sometimes humorous, sometimes heartwarming tale of the things we choose to live for when the chips are down, and of the power of love to conquer all. This book contains the full text of all four novels in the series. . . Cry for the Moon, Behind Blue Eyes, More Golden Than Day, and Truesilver.
