

The Legend of Captain Crows Teeth. Eoin Colfer

Wills brother Marty is always playing practical jokes. But when he tells the bloodcurdling story of the cutthroat pirate Captain Crow, Will is terrified. Is it another one of Martys tricks, or could Captain Crows ghost really be out to get him? This is a spooky, funny fiction - brilliant for boys and girls aged 7-9. It is now available in paperback! It offers fabulous, witty illustrations by Tony Ross throughout.
