

The Lost Boys Appreciation Society

Gary, John, and Dad are lost without Mom. Gary is only 14 and goes seriously off the rails, getting involved with local thugs and teetering on the brink of being on the wrong side of the law. John is wrestling with the GCSEs and his first romance the gorgeous Olivia Bellman. But hes carrying the burden of trying to cope with Gary and Dad at the same time. And theyre all living with the memories of someone they can never replace.
