

THE MUMMYS REVENGE... is deadly for Josh, Amy & Cousin Harry (The Mummy Monster Game series Book 1)

DEAD FOR THOUSANDS OF YEARS
Harry is really weird. But he is family, so Josh and Amy try to make their cousin feel at home during his visit. That's when Harry shows them the game. The Mummy Monster Game. A game where the players find the pieces of a mummy and put it back together again. But each time they play, the game becomes more and more realistic, leaking dangers into their lives. So when Harry and Amy become trapped in the mummy's tomb inside the game, Josh realizes that this is a game like no other. This game is very real. And very deadly.
