

## Drive Me Wild (Harlequin Temptation)

Aspiring novelist Molly Drake wants only two things out of life: a book contract and one sizzling night with her driver, Alec Masterson. The contract seems unlikely, especially since, according to her agent, Molly's incredible sensual fantasies about Alec aren't so incredible on paper. But as for Alec, well, Molly decided to take him for the ride of his life and make sure that the trip is something worth writing about. For months, part-time chauffeur Alec Masterson has been trying in vain to put the brakes on his infatuation with Molly. But that was before the gorgeous redhead purposely set out to drive him wild. Now Molly has him right where she wants him: in her bed, seducing him within an inch of his life. And all Alec can think about is convincing Molly to take him for more than just a test-drive.
