

The Pigmans Legacy (The Sequel to The Pigman)

Four months after the Pigman died, John and Lorraine are passing by their old friends empty house when they receive the shock of their lives: An elderly man has taken up residence in the abandoned home. Convinced this down-and-out recluse is a sign from beyond the grave, John and Lorraine decide theyve been given a chance to make up for what happened to the Pigman -- a chance to make things right, once and for all.
