

The Tales of Beedle the Bard (Hogwarts Library books)

As familiar to many Hogwarts students as Cinderella and Sleeping Beauty are to Muggle children, The Tales of Beedle the Bard is a collection of popular stories written for young wizards and witches. Translated from the original runes by Hermione Granger, they include fascinating additional notes from Professor Albus Dumbledore, with intriguing glimpses into his life at Hogwarts. For wizarding and Muggle readers alike, this is a must-have edition, featuring fate-seeking witches, a hairy-hearted warlock and the tale of the three brothers who tried to cheat Death . . .
