

The Wes Anderson Collection

en_US=ThisNew York Times bestselling overview of Wes Andersons filmography features previously unpublished behind-the-scenes photos, artwork, and ephemera, with an introduction by Michael Chabon. Writer/director Wes Anderson guides movie/television critic Matt Zoller Seitz through Andersons life and career in a hardcover book-length conversation, woven together with original illustrations and production images from Bottle Rocket, Rushmore, The Royal Tenenbaums, The Life Aquatic with Steve Zissou, The Darjeeling Limited, Fantastic Mr. Fox, and Moonrise Kingdom. The result is a meticulously designed book that captures and reflects the spirit of Wes Andersons movies: melancholy, playful, wise, and wonderfully unique. Praise for The Wes Anderson Collection: In The Wes Anderson Collection, Seitz expands a series of video essays on Andersons influences, illuminating as much of Andersons process as possible in a massive, beautifully rendered volume. Although it looks (and sometimes reads) like a coffee table book, The Wes Anderson Collection brings together style and substance to provide a loving homage to Andersons films and moviemaking in general. The A.V. Club Your coffee table wants no, scratch that needs this book . . . Packed with 400 images of everything from behind-the-scenes set shots to makeup inspiration to hand-drawn storyboards, the massive tome is pure eye candy. But in addition to the visuals, Seitz also dives deep into each and every Anderson film. NYLON A magical tour of Wes Andersons filmography. C magazine Each page of this book filled with conversations, photographs and artwork surrounding each film showcases Andersons pop-culture inspirations from Hitchcock and Star Wars to Jacques Cousteau and the French New Wave. Better than most of their kind, the talks

reveal a candidness and honesty between critic and director, allowing Seitz to dig around Andersons vault and share his discoveries. FILTER The Wes Anderson Collection comes as close as a book can to reading like a Wes Anderson film. The design is meticulously crafted, with gorgeous full-page photos and touches like a still representation of Rushmores opening montage. The A.V. Club Reading the book, you feel as if youre disappearing into the miniature world of Andersons movies, like youre playing around in the files and fastidiously kept dossiers assembled for each project. In this way, the book mimics the work. Complex.com Its smart, informative, and looks beautiful. In other words, its the perfect gift. Complex magazine
