

The Wit and Wisdom of Ozzy Osbourne

All Aboard the Crazy Train This is Ozzy Osbourne in all his raw and unfiltered glory; four decades worth of his best quotes, oddest observations, risqué retorts, and yes, even articulate ponderings. Ozzy might come across as a nutter (and rightly so), but when you sit down and seriously consider what hes saying . . . well, hes f**king Ozzy Osbourne and hes got things to say! The Prince of Darkness sounds off on various topics including: Black Sabbath: We thought, Lets scare the whole f**king planet with music. Drugs and Alcohol: I was always a miserable drunk. Rehab: I still take medication, but not for fun. Himself: I dont know who Ozzy is. I wake up a new person every day. The Wit & Wisdom of Ozzy Osbourne reveals Ozzys philosophy of life and reflects the spirit of the man who made Black Sabbath famous, Christian groups frightened, and The Osbournes a hit reality TV show.
