

Hap and Leonard Ride Again

Soon to be a 2016 SundanceTV miniseries starring Michael K. Williams (The Wire), James Purefoy (Rome), and Christina Hendricks (Mad Men). Hap and Leonard don't fit the profile. Hap Collins looks like a good ol' boy, but his liberal politics don't match. After a number of failed careers, Hap has discovered that what he's best at: kicking ass. Vietnam veteran Leonard Pine is even more complicated: black, conservative, gay . . . and an occasional arsonist. Join in on Hap and Leonard's gritty Texan crime-fighting adventures, including four pieces of bonus material only found in this edition. The Dixie Mafia and small-time crooks alike had best be extremely nervous.
