

## They Call Me Baba Boeey

NEW YORK TIMES BESTSELLER  
Includes all-new ma-ma-material! ALL NEW CHAPTER: Baba Boeey's Afghanistan Journal! and . . . the Shvoogie Buzzer story! One of pop culture's great enduring unsung heroes: Gary Dell'Abate, Howard Stern Show producer, miracle worker, professional good sport, and servant to the King of All Media, tells the story of his early years and reveals how his chaotic childhood and early obsessions prepared him for life at the center of the greatest show on earth. Baba Boeey! Baba Boeey! It was a slip of the tongue that unfortunately was heard by a few million listeners but in that split second a nickname, a persona, a rallying cry, and a phenomenon was born. Some would say it was the moment Gary Dell'Abate, the long-suffering heroic producer of *The Howard Stern Show*, for better or worse, finally came into his own. In *They Call Me Baba Boeey*, Dell'Abate explains how his early life was the perfect training ground for the day-to-day chaos that comes with producing the most popular radio show on earth. Growing up on Long Island in the 1970s, the youngest of three boys born to a clinically depressed mother, Gary learned how to fend for himself when under attack. Obsessed with music, he listened with religious intensity to Casey Kasem's Top 40 every Sunday morning, compulsively bought 45s of his favorite songs, and nerdily copied the lyrics into a notebook. Music became an ordering principle to his life, even as the chaos at home got out of hand. Dell'Abate's memoir sketches the trajectory from the obsessive pop-music trivia buff to the man in the beekeeper's mask who handily defeats his opponents playing *Stump the Boeey*. We learn about the memorable moments in his life that taught him to endure epic bouts of humiliation and get his unique perspective on some of his favorite Stern show episodes such as the day he nearly killed the

Mets mascot while throwing out the first pitch, or the time his mother called Howards mother and demanded an apology. Hilarious, painful, and eye-opening, its Gary as youve never seen him before, telling a story that even Stern show insiders cant begin to imagine.
