

Three Beastly Kendra Chronicles: Beastly, Lindys Diary, Bewitching

A hapless witch, a bad boy turned beast, and his true love (or is she?) take to a Manhattan high school in Alex Flinn's New York Times #1 bestselling series. These three modernized fairy tales appear in one collection for the first time. **Beastly**: Kyle was the cutest guy at school and the most heartless. Kendra's spell turned him into a beast, but can Lindy's love turn him back into a boy? After winning a VOYA Editors Choice award and spending over 22 weeks on the New York Times bestseller list, **Beastly** became a major feature film starring Vanessa Hudgens, Alex Pettyfer, Mary Kate Olsen, and Neil Patrick Harris. **Beastly: Lindy's Diary**: This novella lets readers peek into the journal Lindy kept while she was getting to know and love her beast. **Bewitching**: Kendra shares her other schemes that have gone wrong . . . no matter how hard she tries! These tweaked fairy tales take readers all through history and all over the world.
