

## Tokyo Lightning Volume 4: Turning Point

After the terrifying events of Volume 3, Jin has more questions than ever and his answers are few and far between. When will Xavier wake up? And even more pressing, what is Skye Morinos next move? Could Jin be next? Now, after a disastrous misunderstanding with his new-found friend Gabbi-chan, Jin finds himself on the wrong side of mind-games. With Lucy missing Test steps up to take her place as President and the gangs takeover. What is Testarossa Mathematics planning and how will it shape Sakura High Academy? On the verge of a total meltdown, Jin receives a mysterious phone call from someone claiming to know his secret identity. Someone named Zero. Volume 4 picks up immediately where Volume 3 left off and the action only intensifies. With a title match looming and Skye Morino poised to take total control of the academy what will Jin and his friends do to stop him? Most of all, who will step forward as the new face of Sakura High? Who will challenge Skye Morino and stop him in his tracks? This and more will be answered in Tokyo Lightning Volume 4: Turning Point!
