

## Art Wolfe, Travels to the Edge 2012 Wall Calendar

Once again, acclaimed nature photographer Art Wolfe takes us on a fantastic journey to the ends of the earth, where he reveals strange and alien landscapes that are infused with nature's phenomenal beauty and otherworldly energies. The Art Wolfe: Travels to the Edge 2012 Wall Calendar illuminates the spectacular and the remote natural places of this world with penetrating photographic artistry. Art Wolfe is one of the most celebrated and widely published nature photographers of our time. His honors include a 2000 Alfred Eisenstaedt Award for Magazine Photography and the 1998 Nature Photographer of the Year Award from his peers. His books include *Edge of the Earth*, *Corner of the Sky*; *The Elements - Earth, Air, Fire, Water* and *One World, One Vision: The Photography of Art Wolfe*. Wolfe is also featured in the public television series *Travels to the Edge*, in which he reveals stunning scenery and teaches photographic techniques. The interior pages of this calendar are printed on 100% recycled, 50% post-consumer paper, processed chlorine free and printed with soy based inks. In addition to printing our products on recycled paper, Amber Lotus Publishing continues to plant trees and offset our carbon footprint with NativeEnergy.
