

The Rings Of Time Back To The Stone Age (Back To The Past Book 1)

This series of three books is about good against evil and the elimination of Slavery. It starts when two sixteen year old boys, as a result of an explosion in their lab, are thrown into a dimension where Time doesnt exist. After searching for a way to get back home, they realize they cant do it on their own. They meet someone by the name of Selrahc that says he monitors this dimension called the Control Center and promises them theyll be returned home after they travel to places in Earths past for reasons he doesnt disclose to them at the time. Book 1 is Back To The Stone Age where they meet Natas, an evil man from another universe which was marooned there long ago.
