

WebTutor on Blackboard for Cohens College Algebra (with CD-ROM), 5th

A powerful solution for today's students--ideal to support traditional classrooms or distance learning WebTutor extends the vision, concepts, and pedagogy of your text into a highly visual, hands-on learning environment that's available any time you or your students need it. WebTutor's flexible format allows you to assign pre-formatted, text-specific content that is available as soon as you log on or customize its environment in any way you choose--from uploading images and other resources, to adding Web links, to creating your own practice materials. New to WebTutor: seamless access to both InfoTrac College Edition, an online database of millions of full-text articles, and Newsedge, an online news service that pushes the latest news to your WebTutor site daily. And, whether you simply want to post your syllabus, or you want to connect with your students through virtual office hours, asynchronous discussion, real-time chat sessions, or the integrated e-mail system, it's possible with WebTutor. This incredible resource is backed by WebTutor's T.O.T.A.L. support, training and service, available to you the entire length of your WebTutor adoption. And now, you can bring the latest developments from the field into your classroom with Newsedge--an authoritative news service that delivers customized news feeds daily.
