

## Saving Drake McKenzie

There's a manhunt happening in Queens Landing. The all-star junior quarterback, Drake McKenzie, has gone missing just two days before the Catfish Bowl, the biggest game of the year. Elijah is a kid from the wrong side of the tracks. At nineteen, he lives a bleak life with his surly uncle and his horny cousin. He discovers that his uncle, Gerard, has kidnapped the football jock in an effort to fix the game. Having long fantasized about the local celebrity, Elijah goes to great lengths to free him. But Drake McKenzie wants more from Elijah than just someone to save him. A Queens Landing tale. This work contains bondage, handcuffs, sports gear and other elements of male on male bonding. Novella is approximately 13,500 words.
